transform • grow • surpass

Business Wheel Exercise

Date:

- Brainstorm 8-10 categories that are part of your business. Examples: Sales, marketing, products, employee skills, administrative, charity, customer value, finances, employee fulfillment, professional/personal development, stakeholder satisfaction, etc.
- Fill in one category in each of the sections of the wheel by clicking on a box and typing or print the wheel and fill in the categories by hand. If you have more than 8 categories, split sections to add more categories or draw your own wheel.
- Rate your current satisfaction in each category (1-10)
1= Very little satisfaction. 10= Fully satisfied.
